

Abstract

Praise be to Allah alone and may peace and blessings be upon our prophet, Muhammed, his household, his companions and upon those who follow them in goodness till the day of judgment. After that,,

This is a research submitted to obtain the master's degree in jurisprudence from the Faculty of Sharia and Islamic Studies, University of Umm Al-Qura in Makkah.

Title of the Research: Rules and Regulations of Jurisprudence, taken from

"*ALMOHNI*" BY Ibn Qudaamah, from the beginning of the book "*ALFARAED*" to the end of the book "*ALWADAEA*" ,collection and study.

The jurisprudential rules and regulations whose number is sixty, have been extracted, including eleven bases, and forty-nine regulations.

Each rule and regulation has been studied by explaining the meanings of the influential words, then the overall meaning, the study of authenticity, and the presentation of evidences, and the related branches and then exclusions, if any.

The research contains an **introduction**, a **preface**, **two chapters**, and a **conclusion**: In which I showed the importance of selecting the topic, previous studies, research objectives, research methodology and plan.

Introductory chapter: I wrote about Ibn Qudaamah, his book "*AlMoghni*", hinted about his methodology, and showed the rules and jurisprudential regulations and the difference between them. I wrote it in brief.

Chapter I: I dedicated it to the jurisprudential rules. It contains four topics: (rules of words, warranty, discretion, and origin)

Chapter II: I dedicated it to the jurisprudential regulations. It contains four topics (regulations in the book "*AlFaraed*", and inheritance of the relatives, and the book of "*AlWalaa AlWadeea*", and the division of the booty and spoil and charity)

Conclusion: I shed the light on the most important results and recommendations, the scientific position of Ibn Qudaamah, his book "*AlMoghni*", and recommended the benefit of these rules, collecting and organizing, and the benefit from this blessed project.
