

ABSTRACT OF THESIS

Research Summary

Praise be to Allah, Lord of the Worlds, and peace and blessings be upon the noble prophets and messengers, our Prophet Muhammad and his family and companions .

This thesis is submitted to obtain a master's degree in the Da'wah program, entitled: "Dewan Dakwah Islamiyyah Indonesia and its role in the Da'wah - An Analytical Study." This thesis consists of an introduction, a preface, three chapters, and a conclusion and indexes, as follows:

Introduction: Includes the importance of the research topic, the reasons for the selection of the topic, previous studies, research objectives, research limitations, difficulties in research and ways to overcome them, research methodology and research plan.

Preface: Addressed the explanation of the importance the research topic, a brief introduction about Indonesia and the history of the introduction of Islam to the country, and Islamic preaching societies in Indonesia.

Chapter I: Definition of the Dewan Dakwah Islamiyyah Indonesia. It includes the history of emergence of the Council and the recognition of scientists on it, and regulations of the Council and the objectives of the Council and its management and competencies, and the reasons for its establishment, the most prominent advocates of the Council.

Chapter II: The role of the Dewan Dakwah Islamiyyah Indonesia in education and da'wah, its importance and achievements, and its position on the doctrines and groups that are hostile to Islam.

It includes the activities of the Council at home and abroad and the achievements of the Council in da'wah and educational projects, and the position of the Council on the doctrines and anti-Islam groups in Indonesia, as well as the obstacles faced by the Council in the da'wah and their ways to overcome them.

Chapter III: Methodology, means and curriculum of the Dewan Dakwah Islamiyyah Indonesia and its future advocacy and education. It includes the Council's curriculum in education and da'wah, its methods,

and the future of the Council's educational and advocacy work and its ambitions.

Attachment: Some pictures and sightings, statutes and bylaws.

Conclusion: The main findings and recommendations, sources, references and contents index.

I ask Allah to reward me and Muslims for this research, and accept this as one of my sincere (ikhlas) deeds. God bless our Prophet Muhammad and his family and companions.
