Explanation of the elite of thought by Ismail Hakki bin Mustafa al-Baruswi al-Hanafi (Tel: 1137 AH), may God have mercy on him from the beginning of Al-Hasan to himself to the end of the hidden missionary study and investigation

Praise be to God, who honored us with the service of the Sunnah of his Prophet ﷺ, and who gave us the right to study hadith and its sciences, knowing the term hadith for the sake of science; Had it not been for God Almighty preparing this knowledge of this nation for the correct ambiguity with the weak and the subject, and the words of the Messenger of God were not mixed with the words of other people, so the scholars paid special attention to the hadith of the Messenger of God ﷺ, then they set rules to judge and classify the hadiths, and they were interested in codifying those rules, and was among the first of them Judge Al-Ramahramzi in "Al-Muhaddith Al-Faseel," the Nisaburi ruler in "Knowledge of Hadith Sciences", and Abu Naim Al-Asbhani in "The Extractor". Then the imams - may God Almighty have mercy on them - continued until Imam Ibn Hajar - may God have mercy on him - and wrote the book "Elite of thought in a term" The People of Archeology, "and he was an adorable acronym, so this acronym spread and spread Explanation explains.

And when this book was in this status, the compiler Ismail Hakki Al-Prussawi explained it - and began to investigate some of his paintings, asking God for help and payment, he is the guardian of that and is capable of it.
