

### The Summary of the Dissertation

All praise due to Allah alone and peace and blessings be upon the last prophet. This dissertation is submitted for the degree of doctorate in the major of Qera'at under the title, "Al WjooH Al Nayyerah fe Al Qera'at Al Asharah" for Abi Hafs Seraj Addain Omar Annshar, who died in 907AH, starting from Surat Yūsuf – Verse 19 to Surat Al Esraa – Verse 49, "study and investigation".

The subject of the study is: the ten major readings (Al Qera'at Al Asharah Al Kubra), and the related subjects like directing the readings (Tawjeeh Al Qera'at), the Quran words sketching, the counting of verses, and the stop and initiation (Al Waqf Wal Ebteda'a), besides subjects related to the Quran sciences like Tafsir, The Makki and The Maddani, Asbab Anzool (The reasons of descending), Al Nasikh wa Al Mansukh (Abrogating and abrogated verses).

The dissertation is divided into: An introduction, two sections for a preapprehension, chapters, inquiries and demands, conclusion and indexes.

The introduction emphasizes the importance of the subject, elaborates on the reason of choosing it, the studies presented to revise this book and introduces the research plan and criteria.

In the introduction, I introduced the writings about the authoresses of Al Qera'at that existed at the author's time. I divided the first section, the study section, into two chapters:

The first chapter: Introduction to the author and his time period.

The second chapter: A study of the book and related subjects.

These two chapters contained inquiries and demands.

The second section, the investigated text, contains an investigation of the book from Surat Yusuf – Verse 19 to Surat Al Esraa – Verse 49.

Afterwards, I conclude the dissertation and include results and recommendations.

The results are:

- This book is one of the most famous books that brought together several sciences in that era, it considered as one of the rare books of the modes of recitation in this type of authorship.

-This book is characterized by collecting the recitation with narration and knowledge.

-This book is considered to be a brief reference to investigate the issues of Arrasm (The Quran words sketching), the stopping and initiation (Al Waqf Wal Ebteda'a), and directing the Qera'at (Tawjeeh Al Qera'at).

-The book is distinguished by drawing some of the Quranic words according to the unique narratives and the old texts which gave a qualitative perception of its content

The recommendations included:

-The reader needs to have talent and awareness before reading the books so he will be able to know and distinguish the correct and weak recitation, ways and opinions.

- Concern about teaching the Kubra and Sughra methods of recitation and the authors' approaches in this science.

The indexes of this dissertations are: Verses index, Hadith index, poetry excerpts index, Index of strange words, index of countries and places, index of tribes and languages, index of famous people, proven sources and references, index of topics.

All praise and thanks are only for Allah, the One who, by His blessing and favor, perfected goodness/good works are accomplished.
