

Abstract

All praise be to Allah the Lord of the world , and peace and blessings of Allah be upon the best of the messengers and his family , companions all together.

This thesis investigates the book entitled (Sharh al-Jami' al-Sagheer lel-Imam Fakhruddin Quadhi khan) (research and authentication) by the student A.Aleem Lajward khan and Devided to two Parts, first the study and the second authentication :

The First section contains introduction and three chapters , the introduction includes three facts: 1- the importance of the Jurisprudence and the need to it in all aspects of the life . 2- the plan for the study . 3- the reasons for choosing it for investigation.

The first chapter contains an introduction to the life of the author of the illustrated book (Al-Jami' al-Sagheer) He is Imam mohammad bin Hasan al shaibani and contains five themes summarized in his personality , qualities , and his keen for obtaining the knowledge , and applause by the scholars and finally his death.

The second chapter covers the life of the author of (Sharh al-Jami' al-Sagheer) He is (Quadhi khan) and comprises four points in which I discussed his personality , his fame and his outstanding teachers and pupils and his narration in fiqh , his compilations and the applause of scholars , his effect in the following generation and finally his death.

The third chapter contains the study of the book , (Sharh al-Jami' al-Sagheer) Le quadhi khan , which contains six themes . the Title of the book and its ascription to the author , its Importance, the places of finding manuscripts and their description , its scientific distinguishes , its sources and some objects on it. and my method in authentication and the explanation of some terminology in Hnafite school books.

The second part is investigation of the text starting with the book of "Aiman ending in the book of wasaya (wills)" which deals with the transactions and punishment in the Islamic Law and the will except the section of worship and marriage which is discussed in the first part of the book belonging to the other researcher , and I achieved this work according to the described plan through the introduction , and added the opinions of the maliki and Hanbeli schools of thought in the controversial point of views between, Imam Abu Hanifa and Imam shafiei , draw out the juristic and fundamental rules contained in the book, making a list for the rules and juristic variances existing in the book followed by the required detailed indices .

Peace be upon our Prophet, Mohammad, his household and companions. and who follow them until the dooms day.
