Part Two: The Investigation, which includes:

- Full text of the book .
- Results & Conclusions.
- Scientific References.

The study aimed to produce the book for the famous scholar precedes his colleges furthermore the book compromises between The Holly Quran Sciences & interpretation.

The main research results:-

- Al Barzi is one of flag scholars who devote his self to serve the knowledge with more than 50 authoresses. It is recommended to care his existing books and to be extracted by researchers.
- Many transfers done by Al Barzi showed his faith in transfer and he is always truly referring and stating this action .
- The author followed a unique procedure in this book collecting between Quran Studies and interpretation in brief.
- Books in science and interpretation are may and could not be overridden each of them has its advantages.
